### Product Description

BIOME Antibacterial Handwash is a gentle yet powerful hand cleanser designed for frequent handwashing in commercial, industrial, and food-handling environments. Formulated with antibacterial agents, moisturizing ingredients, and a refreshing green apple scent, it effectively removes dirt, grease, and germs without drying the skin.

### Key Features

- Antibacterial Protection – Helps eliminate common germs and bacteria.
- Skin-Friendly Formula – Mild pH and added moisturizer to prevent dryness even with frequent use.
- Refreshing Scent – Leaves a clean, floral/fruity fragrance on hands.
- Rich, Creamy Lather – Effective cleansing with a pleasant washing experience.
- Non-Irritating – Free from harsh abrasives and harmful chemicals.

### Usage Instructions

1. Suitable for manual dispensing or refillable soap dispensers.
2. Apply a small amount onto wet hands.
3. Lather thoroughly for at least 20 seconds.
4. Rinse with clean water.
5. Dry hands with a clean towel or air dryer.

### Shelf Life & Storage

- Shelf life: 24 months
- Storage: Keep in a cool, dry place away from direct sunlight.
- Container: Keep tightly closed when not in use.

### Safety

- Keep out of reach of children
- Avoid contact with eyes; may cause irritation
- Do not ingest
- In case of contact with eyes, rinse immediately with plenty of water
