

Product Disclosure Sheet

MAXCLEAN LAUNDRY DETERGENT

Product Name: MAXCLEAN Laundry Detergent

Pack Size: 5L / 10L

Product Type: Liquid Laundry Detergent

Intended Use: Cleaning of washable fabrics for household and commercial laundry applications

Product Description

MaxClean Laundry Detergent is a high-performance liquid detergent formulated to effectively remove dirt, stains, and odors from a wide range of fabrics. Its concentrated formula delivers deep cleaning while maintaining fabric softness and color integrity.

Usage Instructions

1. Machine Wash:
Use 50–100 ml per load (depending on load size and soil level)

1. Hand Wash:
Dilute 25–50 ml in 5 litres of water
Soak and wash as required, then rinse thoroughly
Note: Always follow garment care label instructions.

Key Features

- 3-in-1 Formula: Cleans, removes stains & freshens fabrics
- Powerful Dirt & Stain Removal: Effective on grease, sweat, and daily stains
- Fabric-Friendly: Gentle on clothes, helps maintain fabric quality
- Long-Lasting Freshness: Leaves laundry smelling clean and pleasant
